### **Admissions Policy and Procedures**

#### Undergraduate Division

Applicants to Mesivtha Tifereth Jerusalem's undergraduate program must be beyond the age of compulsory attendance in the State of New York, and are generally expected to have completed high-school, including a preparatory program of Talmudic study that has prepared them for college-level study. Applicants should meet the following minimum qualifications:

- A commitment to develop in the personal growth of character traits, and ethical and moral obligations
- An interview and oral exam administered by Rabbi Dovid Beinish Feinstein and Rabbi Chaim Yitzchok Weiss.

Students are admitted based on their ability to meet the standards of the program of study. Once an application is submitted, the student schedules an interview, during which a written or oral entrance examination may be administered. If accepted for enrollment, the applicant will then be asked to complete an admission form.

#### Graduate Division

A student entering from the Mesivtha Tifereth Jerusalem Undergraduate Division must have received an undergraduate degree.

Applicants from other institutions are required to appear for a personal interview.
